Special Conditions (if any): _____

NOTE: All sub-contractors (electrical, mechanical/HVAC, plumbing, low voltage, sign etc.) are required to pull separate permits. All permits become null and void if work or construction authorized is not commenced within 6 months, or if construction or work is suspended or abandoned for a period of 6 months at any time after work is started.

I hereby certify that I have read and examined this application and know the same to be true and correct. I understand that all provisions of state laws and city ordinances governing this type of work will be complied with whether specified herein or not. I further understand that the issuance of a permit does not grant the authority to violate or cancel the provisions of any state or local laws regulating construction or the performance of construction.
